

Hair Conditioner

Always **21**

Today hair is a major concern, because of various types of chemically treated hair like, colour hair, Straightening hair, curls and many other stylings etc. by which the hair loses its natural texture and shine. To get rid of all such hair issues, Always 21 has come up with one more beautiful product for hair that is Always 21 Hair conditioner.

Benefits

Always 21 Hair Conditioner is another beautiful combination of few of very powerful ingredients like Almond oil, Olive oil, Pro Vitamins B5, Tocopheryl acetate, Hydrolyzed wheat Protein, Hydrogenerated Polysobutene, Aloe Barbante extract and SPC Acid. This Paraben free and Mineral oil free Hair Conditioner helps to keep hair smooth and shiny after Shampoo and protects hair from pollution, dirt and UV Rays.

The Key ingredients of Hair Conditioner....

Prunus amygdalus oil (Almond oil) :

Source of vit. E. Gives strength to hair shaft and shine

Olea europaea (Olive oil) :

Hair strengthener, promotes hair growth & volume.

Pro Vitamin B5 :

Deeply moisturize and penetrate the scalp and hair. It deposits nourishing moisture deeply into the cortex of the hair.

Tocopheryl acetate :

Gives strength to hair shaft and shine

Polyquaternium 10 :

Increases hair body, suppleness and improves the texture of hair that has been damaged physically or by chemical treatment.

Hydrolyzed wheat Protein :

Thicken and add volume to thinning hair, add shine and manageability, and repair damaged hair. It easily penetrates the hair shaft and absorbs into the inner fibers of the hair.

Hydrogenerated polyisobutene :

Forms a thin protected coating of lipid on the hair to prevent from pollution.

Aloe barbadensis extract

It acts as a great conditioner and leaves your hair smooth and shiny, also helps promote healthy hair growth, prevent itching on the scalp and reduce dandruff.

Sodium Pyrrolidone Carboxylic Acid :

Source of Moisturiser

Directions :

Wash hair with Ceyone Daily Care Shampoo or a Trescience Shampoo and rinse off hair thoroughly. Remove all excess water from your hair and then take a coin size conditioner or as required as per your hair length and apply on semi wet hair. Keep it for 2-3 minutes and rinse off properly. It can be used after every shampoo wash.
